MARITIME DAY

MERCY SHIPS RACE

Run or walk – 5 or 10 km and do good!

We are proud to extend our co-operation with Mercy Ships. Since 2017 Mercy Ships is a part of the Maritime Day and we arrange a fundraising auction for them at the Maritime Day.

New for 2019 is that we will run or walk 5 or 10 kilometres, the day before the Maritime Day. The fee 50 euro per person, goes directly to Mercy Ships and their work. Race start and finish at Alandica, in central Mariehamn. After the race – for you also registered for the Maritime Day sauna and pool at Hotel Arkipelag included (towels available, remember to bring swimwear).

Challenge yourself, your colleagues and competitors to participate and support Mercy Ships!
