

# Swedish shipping

- *Action plan  
for improved  
competitiveness*

***Tomas Brolin***

# ***The Action plan***

- **Promoting businesses**
- **Transport policy measures**
- **Job and education**
- **Maritime safety as an advantage**
- **Competitive shipping through high environmental profile**
- **Increase support for research and development**
- **Monitoring of competitiveness in shipping**

# *Action plan*

## *Promoting businesses*

- **simpler rules of benefit to users**
- **state aid to more ship categories**
- **tonnage tax will be examined**
- **increased application of TAP possible?**

# ***Continued work towards a maritime strategy***

- **Sustainable development of marine, maritime and coastal activities**
- **Close cooperation with neighbouring countries**
- **Stakeholder consultation**
- **CION communication on Blue Growth**
- **Gov. bill 2009 on marine environment**
- **Governments strategy for innovation**

***Thank you***
